

# Emma

Relax in  
simple style

The best things in life are uncomplicated, and Emma is loved for its understated and classic look. A highly practical indoor sauna, Emma combines clean lines with high-quality materials to bring a touch of style and relaxation to your home.

With the STP-profile wood panels available in aspen, alder or thermo-aspen, and a choice of clear or bronzetinted glass, Emma caters for a beautiful range of wood shades and design preferences so you can create your perfect sauna.

## Key features

### Classic design

An uncomplicated indoor sauna with the same wood type inside and out, Emma's smooth lines and superior materials combine for an understated yet stylish look.

### Multiple material options

Select a clear or bronze-tinted glass door and pick your favourite wood shade, with aspen, thermo-aspen and alder cladding available. The front wall can be made from wood or glass.

### Interior LED lighting

LED lighting embedded in the wall panels adds a bright touch of luxury to the stylish Emma sauna.

### HUUM UKU Glass controller

UKU Glass makes operating your sauna's heating and lighting easier than ever. The control unit offers several safety features and a Wi-Fi connection to the Auroom mobile app.

### Auroom x HUUM CORE heater

Designed in cooperation with award-winning producer HUUM, our CORE heater comes with a range of design options.
