

Lumina

Brighten and
revitalise

Lumina's sophisticated design is combined with simplicity and practicality. Its unique bi-colour walls and exquisite interior design immerses you in a luxurious, yet cosy and harmonious atmosphere.

Lumina has all the necessary features to give you a full regenerating experience. All components harmonise: the door, the lamp, the towel holder. The lighting is smooth and unified and creates a sensation of tranquillity inside the sauna.

Lumina is created in cooperation with the talented Italian architect Luca Donazzolo.

Key features

Lamp

A special lamp has been designed for Lumina, almost invisible, like the door. Two different sizes of lamps can be ordered, 50 or 80 cm long.

Towel holder

Optional practical towel holders are available, designed and sized to suit the lamps.

Bench

Lumina's benches are available in three different lengths depending on the needs and wishes of the sauna-owner.

Aluminium base frame

The aluminium base frame under the sauna walls is durable, resistant and very suitable for humid rooms.

External panelling

External panelling is available for the side and back walls.

Lighting effect

It's possible to add an extra optical fibre between the front boards of the upper bench.

Heater stone

This luxurious dark grey stone panel creates a unique atmosphere, a stylish setting from the heater up to the ceiling.

Floor

The floor is expressly designed to match the overall style. Its grids are solid and durable and come with rubber strips, which prevent the floor from being slippery and the wood from being in direct contact with humidity.
